The service break in the validation service of the new reporting system of the Bank of Finland has ended

The service break in the validation service of the new reporting system of the Bank of Finland has ended. In addition, RATI reporting form (web_forms) has now been opened for testing. The RATI balance sheet and minimum reserve calculation will be implemented later.

The Validation Service can be accessed via the following web address:

<https://validationservice-reporting.bof.fi>

For further information on the reform of the reporting system, see the BoF's [website](#).
